

SHOWSTOPPERS!

Holiday Bible Club 2009

The Club is open on the mornings of Tuesday 21st July through to Friday 24th July with a hog roast and a special show (involving the children) on the Friday evening for everyone!

Plans are in place, publicity is prepared - all we need now are children!

Coloured fliers, posters, letters & additional registration forms are in the foyer for you to distribute if possible.

If you have contact with any local schools please ask if it would be possible to give fliers for the children - and how many fliers the school would need, and then let Melanie or Elise know -

The Club is great fun, and really worthwhile - so please do your very best to advertise it locally!
